Plaintiff received notice electronically that an order had been issued setting a case management conference for this case on January 17, 2007, and Plaintiff s counsel scheduled the conference accordingly.

Apparently the electronic notice was incorrect and the case management conference had actually been set for three days earlier on January 14. Plaintiff s counsel will be out of town on January 14 and hereby requests that the conference either be continued to a later date or that

1  
2 counsel be allowed to appear telephonically. Opposing  
3 counsel has been contacted and is amenable to either  
4 alternative.

5 A joint cmc statement has already been filed in  
6 this case and both Parties have requested that the Court  
7 issue a Case Management Order consistent with the dates  
8 proposed therein. If the Court is willing to adopt such an  
9 Order from the statement, the parties request that  
10 Court do so and vacate the case management conference.

11  
12 Dated: January 8, 2008.
